

The Society of the New York Hospital: Historical Address (Classic Reprint) (Paperback)

Filesize: 8.67 MB

Reviews

The most effective publication i at any time go through. This is certainly for all those who statte that there had not been a worthy of looking at. Its been printed in an extremely straightforward way which is merely soon after i finished reading this publication where basically changed me, change the way in my opinion.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Society of the New York Hospital: Historical Address It was, we recall, the payment of a sacrificial debt to this god of health that inspired Socrates last words. That fruitful worship of perfect sanity, so characteristic of the Greek and Roman civilization, may explain the inscription reputed to have been placed over the entrance to the great Library at Alexandria, suggesting that the books which it held were the medicine of the mind. From even earlier times, indeed, the care of the sick proceeded under religious guidance. The temples of Saturn in Egypt and of Buddha in India seem to have sheltered medical schools as well as the sick, prior to the Christian era. Mohammedanism in its turn associated medical instruction and the care of the sick with the mosque, and in the early and middle centuries of the Christian age an intimate relation between the church and the foundation and maintenance of hospitals flourished throughout Europe. Thus the hospital fittingly became the Hotel Dieu. In the same religious spirit, the privately supported general hospital, beginning in 1123 with St. Bartholomew s of London, under the Prior Lahere, developed in England. That model, though without the ecclesiastic connection, naturally commended itself to the British Colonies in North America. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
