Unbeknownst to him, the colorful members of Council hastily adapt a plan to gather his seed within a maiden from the remaining twelfth tribe, whose newborn persona is destined by the ancient ones to usher in a new age of enlightenment for all mankind. For this noble quest, they select Leah as the vessel to bear his child, a naive young woman raised in the swamps of Louisiana and home-schooled by her mother with virtually no contact with the outside world. When Leah's godmother mistakenly casts a love spell, Clint whisks Leah out of her protected environment into his fast-paced world while Council valiantly tries to keep up and subtly protect the unborn child.
