

Approaches in Criminal Profiling: An Introduction (Paperback)

By MR David Elio Malocco

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.What exactly is criminal profiling and what are the different approaches used by police forces all over the world? Best selling writer David E. Malocco, author of Forensic Science: Crime Scene Analysis and How to Commit the Perfect Murder has published the fourth book in the hugely successful Student Guides Simplified series. Following on from A Brief History of Criminal Profiling which deals with the evolution of profiling this book discusses, examines and analyses four different approaches to criminal profiling. The Diagnostic Evaluation approach began in the 1950s with New York psychiatrist Dr. James Brussel being asked to input on two high profile cases, the Mad Bomber of New York, and the Boston Strangler. The first case proved to be a spectacular success with Brussel providing a classic text book profile right down to how the suspect dressed. But the failure of a high profile team of psychiatrists, psychologists and anthropologists to catch the Boston Strangler or even identify whether the authorities should be looking for one or more suspects damaged the credibility of the...
