Candra Rosewood seeks to avenge her parents death, but in the end becomes someone she only read about in fictional stories. In Birthright, Candra has fallen for her parents killer, or so it would seem, Kane Smithe, a vampire whose psyche has caught the lovely Miss Rosewood and chooses her for his own human servant. With four markings before she becomes truly his, her life will never be the same again. It is set in Utica, Illinois, present time, where mystery lies deep within the Rosewood family unbeknownst to Candra and unfolds slowly throughout the story. Head strong, single Candra Rosewood, is at the pinnacle of her life, where things are just beginning to start off beautifully, until news of her parents death and no murderer to be found, sends her back home and leaving her to pick up the broken pieces and to start anew, but with one firm resolution, to find the killer herself. She meets up with Kane the first night she is back home and from there, her life becomes one upheaval to the next. Kane stalks and watches her day and night driving Candra to the point where it becomes too much to handle. Half wishing he would go, the other half needing to see him again driving her to the brink of insanity. And what about the locket found in her home. Whose did it belong too, and why, when held in her hand send her back to 1817 It is then that things of her past come to haunt her and beacon her to do the right thing.
