Both these great sons of India shall always be remembered for their respective contributions to our country. Maulana Azad will be remembered for his spiritual intellect and political achievements as also for the sacrifices he made for the country, particularly in an extremely adverse pre-partition situation while APJ Abdul Kalam would be remembered for his technical contribution to the country and as a symbol and practical example of India really being a secular country in which son of a Muslim fisherman can become Head of the state . Let the nation salute both of them for centuries and centuries to come. For a thousand years the Narcissus has been lamenting its blindness; with great difficulty the ones with true vision are born.
