

Mentoring for 21st Century Skills: It's All about the Learning (Paperback)

By Helen Keegan

Createspace, United States, 2009. Paperback. Book Condition: New. 242 x 166 mm. Language: English . Brand New Book ***** Print on Demand *****.In this book, we present a collection of papers and articles which represent the varied backgrounds and interests of the authors, all of whom belong to the VITAE team who developed the materials and approaches which are outlined here. While some articles are practical in their focus, describing the application of pedagogic models and the experiences of the participants; others are more theoretical, offering in-depth explorations of the approaches taken in developing the VITAE model.
