MISSION READY MARRIAGE: MY LIFE AS AN ACTIVE DUTY WIFE (PAPERBACK)

BookBaby, United States, 2015. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book. Our nation has been at war for over a decade. This means many active duty military personnel have been in a constant cycle of training, deployments and reintegration. Unfortunately, the stresses and difficulties of being on the job aren't only affecting soldiers but also their spouses and family members. These prolonged and significant pressures are taking a devastating toll on many military marriages. As a relatively new active duty military spouse, Claire walks readers through many of the common trials of active duty life. From assignments, relocation, making friends and reinventing yourself at each new duty station, to the painful moments of the deployment and reintegration, Claire shares her personal struggles to make sense of what it means to be a supportive military spouse and do her part to keep her own heart and marriage mission ready. As a Christian, Claire explores the idea of what it means to live in full submission to God, her husband and her country. With humor and deep emotion, she shares how this isn't her natural, typical response. You might even say she has gone kicking and screaming (and sometimes crying) at every turn. Claire hopes that her own experiences and reflections will inspire other military spouses to stay the course, keep the faith and find hope for the future. You don't have to be a military spouse to relate to and understand the ideas presented in this book. Mission Ready Marriage is for anyone who has ever wondered if God had the right person in mind for her current assignment. God has given us everything we need for the mission field in which He has placed us. Optionally, this book is designed...
