Reviews

Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).

EXODUS TO AFRICA (PAPERBACK)

Lulu.com, United Kingdom, 2015. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****.From Mosenthal to Mandela .a FRESH look at the story of the Jews in South Africa . Jewish migration to South Africa began as a trickle at the beginning of the 19th century and became an exodus by its end. Always a minority in the European population of what eventually became South Africa, the Jews who emigrated there from Europe during the 19th and 20th centuries have played a disproportionately large role in the country s development. Often escaping from repression and hostility in Europe, they arrived in a country which was no stranger to oppression. From the jail-breaker to the soap-maker who became Senator; from the dentist who made noodles in Cape Town to a man imprisoned for defying apartheid: Adam Yamey tracks the story of Jewish settlement in South Africa, illustrating it with the stories of members of his family to exemplify landmarks and trends in this fascinating history.
