

The Vanished Emperor (Paperback)

By Percy Andrae

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.It seems scarcely necessary for the author to explain, as he does in the preface, that the Emperor Willibald of his romance is the Emperor William of Germany; that Prince Ottomarck is Prince Otto von Bismarck, and so on. A casual acquaintance with the names and the events of the Kaiser's reign must have made the identification; and there are few newspaper readers who would not have recognised in the strained relations between the Emperor Willibald and his sister, the Princess Margaret, which furnishes the central motive of the story, an imperial quarrel that has long been a public scandal in Berlin.
