

## Let Me Hear Your Voice: Family's Triumph Over Autism (Paperback)

By Catherine Maurice

The Crowood Press Ltd, United Kingdom, 1998. Paperback. Book Condition: New. New edition. 212 x 136 mm. Language: English . Brand New Book. This is the profound moving story, told by their mother, of how two children were rescued from the tragedy of autism - and the first account in which diagnosis, therapy and authentic recovery are fully documented. From the opening page, when we are present at the first birthday party of Ann-Marie Maurice, readers of this extraordinary book enter deeply into the life of the Maurice family. We witness their rising anxiety as Anne-Marie, not long after that first birthday, begins to lose the words she has learned, to behave in bizarre ways, to become a person with a self - and their response when they learn the terrible truth - Diagnosis: autism; Prognosis: incurable. We follow their frantic search for anyone who might offer hope, we follow their prayers and finally their providential discovery of intensive behavioural therapy - a treatment that has been documented to lead to dramatic improvement, and in some cases full recovery from autism. We are with the Maurices as they scramble to set up a home programme using the principles of applied...
