By John Harvey Whitson

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Before swinging out of the saddle in front of the little school house which was serving as a church, Curtis Clayton, physician and philosopher, looked over the valley which held the story of a romantic hope and where he was to bury his own shattered dream. Behind towered the mountain, washed clean, too, its flat top etched against the sky and every crag and peak standing out sharp and hard as a cameo.
