The red roe bounds swift through the wilds of Braemar; The war-cry sounds sharp from the crags of Glenshee, But where nature blooms sweetest, the heart may break soonest. And Loves tales are aye saddest in Tales like Strathdee. --scraps. About the middle of the seventeenth century, before civil improvement had penetrated into the fastnesses of the north, the Highlands of Scotland were in all respects in that wild state, from which constantly arose circumstances and incidents that are at least very different from the common routine of modern life. Feudal clanship was still in its vigour. To the lawless tribes of the Scottish mountains and forests, life was a mixture of romance and barbarism, of enthusiastic devotion to their adored chiefs, and of liberty as perfect as that of the noble savage himself, who roams the wilds at will, and gratifies his love or his vengeance by his own dexterity, or the strength of his arm. And yet, as is well known, Highlanders have to this day a tinge of melancholy in their characters. Nature is often grand and impressive around them; but the impression, though deep, and poetical from its wildness, is generally cheerless in its solemnity, and bleak and rugged in its very grandeur. The inconstant sky of these foggy regions adds often a darker gloom to the effect of the bold scenery of their mountains, and to the impressive stillness of their...
