AUTHORHOUSE, United States, 2006. Paperback. Book Condition: New. 223 x 142 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the one book every current and future high school student should own and use to jump start, or to improve, their high school experience. Parents will want to read this book as a tool for supporting their child's educational success. The High School Survival Guide: Start Your Journey on the Right Path is written in a format that is easy for teens to understand and apply. Beginning with the basics of being prepared, to becoming an effective learner, and taking responsibility for their role in the learning process; this book is packed full of useful, everyday skills. It encourages students to learn about themselves and understanding how their own learning styles can help them read more effectively, become more proactive in class, and study with more success. This book is designed around creating active participants in all facets of the educational process including: the day to day academic life as a student, note-taking, goal setting, test preparation, assessments, and coping with life as a teenage student. The skills described in this book are life long...
