A campaign to repeal all laws prohibiting sexual acts between consenting persons. 2. A campaign to repeal all laws governing the age of consent for sexual acts. 3. A campaign for the creation of sex education courses to be taught by homosexuals, presenting homosexuality as a valid, healthy, life-style. 4. A campaign to persuade elected officials to adopt legislation prohibiting discrimination against homosexuals in employment, housing, and public accommodation. This book provides an update on this agenda and also provides Biblical references on same sex relationships in both Old and New Testament.
