Complete guide! Its such a great study. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

They Told Me Not to Sing is the story of one woman's struggle to make a different and better life for herself. Part one tells the story of what it was like growing up with an alcoholic mother, a story of survival, rejection, hopes, and dreams. At age eleven, through days of bleakness and hope, she turned to the movies. The movies had taken her to new lands, shown her a whole different kind of life, and introduced her to new ideas and people. Part two tells the story of a young girl who met her Prince Charming. With his ring on her finger, her dreams had come true and her prayers had been answered. She saw him as a pillar of strength, rather than a young boy scarcely nineteen years old. This is an account of Jennifer Wylers' journey as a military wife. Part three is set in the late 70s in Toronto. It tells the story of a forty-three-year-old woman who left a sheltered and privileged life to follow a life of nursing. This is the story of Jennifer's personal evolution. She writes openly and intimately about her dreams and aspirations, her disappointments and failures, and how these emotions changed with her awakening consciousness and recognition of her own Higher Power. Her strength in moving ahead, and not giving in to failure, is a moving account about the building and rebuilding of a life. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
