By Roy E Lique

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The book is about a couple which is under extreme pressure to maintain a normal life despite the ravages of the diseases: diabetes, Alzheimer s, and three bouts of strokes, which have befallen the author s wife. The story is ongoing as the author s wife is still up and only losing a slight ground against the diseases. The author hopes that the loss is due to age and not due to the advance of the diseases. The book has only two main characters, the author and his wife. The author, acting as caregiver to his wife, is implementing his mission which is to provide his wife the utmost health care and affordable conveniences while she is still able to appreciate the physical aspects of her surroundings. The author s wife loves to travel before and after the named diseases befell her. They still want to pursue the same life style even though she is not as mobile anymore as she was before the diseases debilitated her. Due to the limited options for physical activities, the couple perseveres...
