

## Ecology and Socialism: Capitalism and the Environment (Paperback)

By Chris Williams

Haymarket Books, United States, 2010. Paperback. Book Condition: New. 175 x 127 mm. Language: English . Brand New Book. Around the world, consciousness of the threat to our environment is growing. The majority of solutions on offer, from using efficient light bulbs to biking to work, focus on individual lifestyle changes, yet the scale of the crisis requires far deeper adjustments. Ecology and Socialism argues that time still remains to save humanity and the planet, but only by building social movements for environmental justice that can demand qualitative changes in our economy, workplaces, and infrastructure. Williams adds a new and vigorous voice to the growing awareness that, yes, it is our capitalist system that is ruining the natural foundation of our civilization and threatening the very idea of a future. I am particularly impressed by the way he develops a clear and powerful argument for an ecological socialism directly from the actual ground of struggle, whether against climate change, systematic poisoning from pollution, or the choking stream of garbage. Ecology and Socialism is a notable addition to the growing movement to save our planet from death-dealing capitalism. -- Joel Kovel, author of *The Enemy of Nature Finally*, a book that bridges...
