RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 94 pages. Original publisher: Washington : U. S. G. P. O. , 2010- LC Number: KF32 . P896 2010h OCLC Number: (OCoLC)611548953 Subject: Executive departments -- United States -- Reorganization. Excerpt: . . . 15 gencies from all hazards, whether natural or man-made. Prior to the creation of the Department of Homeland Security (DHS) in 2003, FEMA was an independent agency responsible for coordi-nating and administering, on behalf of the President, the Federal Governments assistance to States and local governments whose citizens and communities are affected by disasters. Since 2003, when the agency was subsumed into DHS, FEMAs ability to per-form its emergency management mission and provide disaster as-sistance has deteriorated sharply. Congress has enacted changes on several occasions to bolster FEMAs role within DHS, most comprehensively in the Post-Katrina Emergency Management Reform Act of 2006 (Post-Katrina 1 Act). These legislative solutions have not sufficiently improved FEMAs ability to make independent and timely decisions, to exer-cise full authority and control over resources, and to successfully operate within the DHS structure as a distinct Federal entity re-sponsible for emergency management. By removing FEMA from the deep and layered bureaucracy within DHS, H. R. 1174 restores FEMA as a nimble and effective agency capable of coordinating the entire Federal Governments disaster response on behalf of the President. HISTORY OF FEMA Prior to the creation of FEMA, disaster management functions were scattered across the Federal Government. Ad-hoc disaster programs were created in different departments and during disas-ters they operated in an uncoordinated, stove-piped fashion. FEMA was created on April 1, 1979, by Reorganization Plan No. 3 of 1978 and Executive Order 12127. As President Carter stated when he proposed the agency: For the first time, key emergency...
