At the very least, it will serve to get the boys back into the folds of the Elite, so they don't come to any harm for helping me. And it'll get me back inside so I can try to save my father-but then what? How will I get him out? We have no guarantees this will even work. Sinna is headed back to Rehabilitation. Like it or not, she doesn't see any other alternatives. She can't just pretend everything is okay, and hide out in the Garden. But how will they get back there? And what will happen when they do? Will they be able to make it back out alive a second time? Sinna isn't at all sure about any of it, but her conscience won't let her back out now.
