Dog Ear Publishing, United States, 2009. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.In 2808 AD, humanity has achieved faster than light travel, and has explored thousands of light years away from Earth. Many other races have been encountered, but the Earth Space Force is clearly the dominant military power in the region. However, there are pirates and renegades of many kinds that plague space commerce, and the ESF has primary responsibility for suppressing them. As the story begins, Commander Curt Jackson of the ESF is commanding a squadron of fighters searching for renegades. When he finds them, he discovers his own squadron is hopelessly outnumbered by smaller, faster ships, and he begins to prepare for the worst. Suddenly, an enormous unidentified vessel joins the battle, and the tide turns in favor of Curt s squadron. For centuries, there had been rumors about an ancient race just beyond the boundaries of known space. The people of Earth are about to meet them. TERRY SAVAGE provides independent management consulting services to state governments and Fortune 500 companies. He studied science and engineering at the California Institute of Technology, and earned an honors degree in economics from UCLA. He is an experienced pilot, holding both instrument and multi-engine ratings. Terry served as Chief Information Officer in the Nevada Governor s Cabinet for 7 years, and developed the first radio communications interoperability plan for police, fire, and other emergency first responders in the history of the state. Earlier in his career, Terry worked for 17 years for a high technology defense company, providing project management expertise for both electronics and spacecraft manufacturing efforts. Terry lives on the shores of Lake Tahoe with his wife Karen of 23 years, where they both enjoy...
