If any of you lack wisdom, the pages of Proverbs are a great place to begin. Mr. Volpe s verse-by-verse commentary is clear, concise and convicting, and it will make a perfect companion for your study and pursuit of Godly wisdom. Kel Cunard, M.Ed. Having been in ministry for 46 years, I have read many commentaries and I can truly can say that this edition by George Volpe is the most exhaustive study of Proverbs that I have been privileged to study. I recommend this book to anyone wanting a deeper understanding of Proverbs for practical everyday living. Dr. Ed Johnson, PHD, MSW The fear of the Lord is the beginning of wisdom. We live in a world best described by Romans 1:22-- professing to be wise, they became fools. God s antidote for such liberal foolishness is the book of Proverbs. George Volpe s commentary on Proverbs is one of the most comprehensive and practical I have ever seen. His insights are not only Biblically sound, but also extremely relevant to today s issues. Senior Pastor Richard Seefried George Volpe has combined the wisdom from some of the old time, tried and true commentators that we all love and has added his own prayer filled commentary to theirs. This is truly a work of love and a valuable resource for any who wish to understand the practical, life changing principles of Proverbs. Dwayne Sholler B.A. Missions, M.A. Church Ministries, A.A.S. Nursing George Volpe has a B.A. from SUNY College Buffalo, and a Master s in Project Management from George Washington University. He has studied Latin, German and Koine Greek.
