Reviews

Unquestionably, this is the finest function by any article writer. I have read and that i am confident that i am going to likely to read yet again once again later on. Your daily life period will probably be transform when you comprehensive reading this article book.
(Sheldon Aufderhar)

HOBO

Three Rivers Press, 2003. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "[A] fluent and funny memoir." Esquire "Think of all the great literary 'hobos' of the American past Whitman, London, Guthrie, Kerouac, and even Springsteen and you'll have an idea of the wild, cocky charm that Eddy Joe Cotton offers. This is not history in the strict sense. Rather, this is one man's idiosyncratic journey into the heart of the hobo mystique." Chicago Tribune "Hobo is an autobiographical love letter to a modern West. Cotton's depiction of a beautiful, largely unknown American landscape and of life on the tracks, riddled with priceless observations from a group of tramps, makes Hobo akin to the works of romantic wanderlust of the tramping twentieth-century Beats." Seattle Weekly "An always passionate narrative . . . an amalgam of autobiography, travelogue, and speculation that offers an unabashed homage to the indigenous American hobo. There's no doubting the authenticity of Cotton's commitment to an unfettered life. The book is richly veined with traditional hobo lore, outlaws, tramps, Las Vegas freaks . . . Cotton's characters and their lives all have an unimpeachable ring of truth." Las Vegas Mercury "Hobo is the story of a modern-day vision quest, not of forests but of rails and hobo jungles. It is a story told with simple, straightforward clarity and honesty. And, like all vision seekers, Eddy Joe Cotton finds himself." Hubert Selby, Jr., author of *Last Exit to Brooklyn* and *Requiem for a Dream* "Hobo is a whistling night train of an American masterpiece, a wondrous achievement, Iggy Pop jackknifed into the mythic mosh pit of Herman Melville, Woody Guthrie, and Ernest Hemingway. Eddy Joe Cotton's mesmerizing passion for the romance of roadside diners, hobo jungles, and clattering boxcars will make your heart soar." Alan Kaufman, editor of *The American Book...*
