By Noam Chomsky

Pluto Press. Paperback. Book Condition: new. BRAND NEW, Turning the Tide: U.S. Intervention in Central America and the Struggle for Peace, Noam Chomsky, For decades, Noam Chomsky has been considered one of the most important critics of American's foreign policy in Central and Latin America and yet Turning the Tide is one of his only written works which makes that region its sole focus. For all activists and scholars whose work focuses on Central and Latin America, Turning the Tide remains essential. For too long now, many of Chomsky's most important books have been left to languish. Introducing Pluto's 'Chomsky Perspectives' series: a collectible, beautiful new list, with cover design by David Pearson. Including both enduring favourites and neglected essentials, these books will appeal to the serious Chomsky reader.
