## BLOCKHEAD: THE LIFE OF FIBONACCI

Henry Holt and Co. (BYR), U.S.A., 2010. Hardcover. Book Condition: New. Dust Jacket Condition: New. 1st Edition. Blockhead: The Life of Fibonacci by , Joseph D'Agnese . Hard cover, dust jacket. New book with no writing/markings. Stated first edition, third printing. "Charming and accessible." The New York Times Book Review \* "The lively text includes touches of humor; Emperor Frederick called him 'one smart cookie.' O'Brien's signature illustrations textured with thin lines re-create a medieval setting." Kirkus Reviews, starred review "Math lover or not, readers should succumb to the charms of this highly entertaining biography of medieval mathematician Leonardo Fibonacci." Publishers Weekly "D'Agnese's introduction to medieval Europe's greatest mathematician offers both a coherent biographical account spun, with some invented details, from very sketchy historical records and the clearest explanation to date for younger readers of the numerical sequence that is found throughout nature and still bears his name." Booklist "This lighthearted introduction to Fibonacci's ideas will inspire young math lovers and perhaps point them toward more scholarly explorations." School Library Journal. PLEASE NOTE- due to size and shape international shipping would require additional costs.
