AND THEN.EVERYTHING CHANGED (PAPERBACK)

Brand New Book ***** Print on Demand *****.This is a story of a young boy growing up in the Bible belt of the South. He was the last of nine children. His mother belonged to a Pentecostal Holiness church. His father belonged to a Methodist Church. Some of his siblings belonged to a Baptist Church. Other siblings belonged to a Holiness Church. His uncles were ministers and other siblings were gospel singers. When the young man found that these churches were not the same, but had their own beliefs, he begins to question the truth of Christianity. How can all these churches have the same manual (Bible) and somehow be different? This is a forty-year journey of this boy's quest to find the truth. In his own words at the age of nineteen, What is this power that controls the universe and how do I relate to it? This question drove him over the next twenty years to seek out this power. Follow him through these forty years. How he grew up in Mississippi to his college days. How his personal study of Christianity and its denominations cause him to reject the Christian religion. How his studies of world religions brought him to know Jesus Christ. How his study of the Bible brought him to realize there were things missing from the Bible. How he developed The Six Things that could make the Bible true. How he seeks the answers to The Six Things for twenty years and could not get an answer. How he found the answers to those six things and then everything changed.
