I should like to present a thing of historical interest. You all know that there is no greater little nuisance in hospitals than the various means of holding and hanging, and rendering accessible and keeping clean the history blanks in the wards. There seem to me to be but two ideal methods. All the clips in use are vastly heavy or clumsy, like the enameled iron clips, or so awkwardly project, like the Shannon file, that no nurse can carry any number at once. This cover is of aluminum. It is a portfolio 12 x 11 inches, with a spring back so arranged that one can readily remove or replace any sheet, or the whole. It allows of writing on both sides of the sheet. Where the bedside notes are bound with the rest of the history, as is not uncommon, this thin...

Reviews

I actually started out reading this book. It can be packed with wisdom and knowledge I discovered this ebook from my dad and i suggested this book to understand.

An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).
