

Archyology: The Long Lost Tales of Archy and Mehitabel

By Don Marquis, Jeff Adams, Ed Francino

University Press of New England. Paperback. Book Condition: new. BRAND NEW, Archyology: The Long Lost Tales of Archy and Mehitabel, Don Marquis, Jeff Adams, Ed Francino, "This sweet, sweet volume brings Marquis (and his cockroach and cat) back to us. It's such an unexpected treat .Readers (and children and grandchildren of readers) of Don Marquis will dearly love and welcome this book." --Washington Post.America's beloved archy and mehitabel finally return in these entrancing uncollected stories."Archy and his racy pal Mehitabel are timeless," noted E. B. White in his essay on Don Marquis and his famous creations, and the undimmed enthusiasm of several generations of fans -- who every year buy thousands of copies of Marquis' earlier collections -- testifies to their appeal. A whimsical and sophisticated sage, archy the cockroach entertained readers with iconoclastic observations on pretensions, politics, and our place in the cosmos during Marquis' career as a New York newspaper columnist in the 1920s and 30s.Allegedly tapping out stories at night by leaping from key to key on Marquis' typewriter, archy couldn't quite manage the shift key for capital letters. Although his tales appeared in lower case, his views achieved a level grand enough to solidify Marquis' reputation as...

Reviews

This pdf is indeed gripping and exciting. it was writtarn quite completely and valuable. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Kurtis Parisian**

Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.
