## THE VOYAGE OF THE BEAGLE

RareBooksClub. Paperback. Book Condition: New. Paperback. 216 pages. Dimensions: 9.7in. x 7.4in. x 0.5in.Excerpt: . . . had never been discovered. A few improvements have likewise been introduced in some of the simple machinery; but even to the present day, water is removed from some mines by men carrying it up the shaft in leathern bags! The labouring men work very hard. They have little time allowed for their meals, and during summer and winter they begin when it is light, and leave off at dark. They are paid one pound sterling a month, and their food is given them: this for breakfast consists of sixteen figs and two small loaves of bread; for dinner, boiled beans; for supper, broken roasted wheat grain. They scarcely ever taste meat; as, with the twelve pounds per annum, they have to clothe themselves and support their families. The miners who work in the mine itself have twenty-five shillings per month, and are allowed page 277 a little charqui. But these men come down from their bleak habitations only once in every fortnight or three weeks. During my stay here I thoroughly enjoyed scrambling about these huge mountains. The geology, as might have been expected, was very interesting. The shattered and baked rocks, traversed by innumerable dikes of greenstone, showed what commotions had formerly taken place. The scenery was much the same as that near the Bell of Quillota This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
